Hunting has become a lifelong ambition for John O'Dell — part of the Drury Outdoors Pro Team. He especially enjoys chasing mature whitetail deer and calling up spring turkeys. John has been a Drury Outdoors team member since 1994 and gets the most gratification from sitting behind the camera and laying down great footage. John credits the successful hunts that he has filmed to determination, hard work, attention to detail, and the techniques he has learned from good friends Mark and Terry Drury.

Buckeye Big Bucks
 Scorers from the Buckeye Big Buck Club will be at the show on Friday to score your Trophy. Mounts must be at least 60 days old. Scoring is complimentary with your show admission.
